

MEMBERSHIP TERMS & CONDITIONS

Sun Glow Tans

6-Month Commitment

When you sign up for our membership, you're getting an exclusive rate that's \$10 less per month than our standard rate. In exchange for this discount, we ask for a 6-month commitment from you.

One-Month Option

If you're not ready for a 6-month commitment, we offer a one-month option at our standard rate. This gives you the flexibility to enjoy our services without the longer-term commitment.

Here's what you need to know:

- ✓ **Commitment Period:** Your membership lasts for 6 months from the date of sign-up.
- ✓ **Cancellation Fee:** If you decide to cancel your membership before the end of the 6-month period, a one-time fee of \$29 will be charged.
- ✓ **Credit Card on File:** To ensure uninterrupted service, we require a credit card to be kept on file. Removing your credit card during the commitment period is not recommended, as it may result in additional charges or service disruptions.
